General ("OIG") or the United States Attorney's Office ("USAO").

We request these records be produced in electronic format, if they are kept in that form and note that the term "document" applies to records in both hard copy and electronic format.

If this request is denied in whole or part, we ask that you describe the nature of the information withheld and justify all deletions by reference to specific exemptions of the FOIA. We expect you to release all segregable portions of otherwise exempt material. We are open to negotiating a modification to this request where production of all responsive documents would be unreasonably voluminous.

We further ask that all responsive records be produced as they are identified and gathered, rather than delaying production until all responsive records are found. However, we reserve the right to appeal a decision to withhold any information.

If there are any costs incurred with producing copies of the records requested, you have our advance authorization to incur up to \$500, which amount we will promptly reimburse. If the fees exceed \$500, please contact me before incurring the expense.

Enclosed with this letter are an authorization of representation, Form BP - A0301 authorizing the release of confidential information, Form BP-A621 authorizing the release of medical information, and certificates of identity for myself and Ms. Sabrina Everson.

Thank you for your cooperation.

Sincerely,
